ACT OF POWER

During this time of darkness, we will look within to see what
darkness hides our deepest fears and desires.

We ask thee Loving Mother Mighty Crone of all
To see our hearts desires and fears that come to call

We search for your healing touch
Your love restores to us so much

Protect our loved ones and spare our grief
Keep us safe in all our belief

Our shadow work done each new moon
To enlighten our spiritual mood

Look deep with and help us find
Our true selves of loving and kind

And cause to harm to none
As I will so it is done

CAKES AND ALE

ALE

Oh Goddesses Dark and Light
Bless this offering tonight

Fruit of the vine
Is but a sign

Of your love and caring
As we partake in sharing

Cast your power
Upon us at the Witching Hour.

CAKES

Oh Gods whose strengths exceed
All that your children need

Cakes made of the earth
A true sign of your rebirth

Of your love and caring
As we partake in sharing

Cast your power
Upon us at the Witching Hour.

CIRCLE

Power cast then forgotten is power wasted
Like spring wine gone but never tasted

Circle is called back to time and place
But never let us forget the Goddess' face

Three times cast
Three times fast

Behold as above so below,

As the universe so the soul
As within so without
May the circle be open
But never broken
Merry meet merry part merry meet again
