

# March New Moon Ritual Talisman

Setup:

Have everyone make their talisman and place on altar.

**Talismans** could be made from a diverse selection of objects. **Anything** from a bead to a holy relic to a drawing could be endowed with talismanic properties.

The **difference between** an **amulet** and a **talisman** is that an **amulet** is most often defined as a small object made of durable materials (usually metal), whereas a **talisman** is made of less resilient materials (such as paper). (Google , 2021)

Power cast and then forgotten  
Is power wasted, gone rotten  
By my power this circle becomes no more  
Everything returns to the same but the lore

As above, so below  
As the universe, so the soul  
As within, so without

The circle is open  
But never broken

Merry meet, merry part, and merry meet again
